- *Hawker Pacific confirms stellar lineup of aircraft on static display at Avalon Airshow including a Cessna Citation Latitude, Beechcraft King Air C90GTx, Cessna Caravan, Cessna TTX, Beechcraft Bonanza G36, Bell 407 GX Helicopter, Cessna 182*
- *Hawker Pacific will also be showcasing a Diamond Aircraft DA40NG and a Diamond DA62*
- *Hawker Pacific to demonstrate its extensive product service offering with experts attending from aircraft sales, Special Missions, Government Business, product support and MRO*

Hawker Pacific, the leading aviation solutions provider in Asia, Pacific and the Middle East, is pleased to announce a strong presence at the Australian International Airshow this year with a stellar lineup of aircraft on static display. The company is looking to showcase its experience and capability as a comprehensive aviation solutions provider.

Hawker Pacific has confirmed it will showcase a number of aircraft at Avalon Airshow this year including a Cessna Citation Latitude, Cessna Caravan, Cessna TTX, Cessna 182, Beechcraft King Air C90GTx, a Beechcraft Bonanza G36 celebrating its 70th Anniversary and Bell 407GX Helicopter. Hawker Pacific will also be showcasing a Diamond Aircraft DA40NG and a Diamond DA62, the latest of the Diamond twin engine aircraft range.

Hawker Pacific CEO, Alan Smith, says Avalon Airshow is the perfect platform for the company to showcase its extensive product and service offering to the aviation industry.

"Hawker Pacific has proudly served the Australasian aviation sector for over 35 years, and Avalon Airshow is an important event for us and the industry. Avalon is the perfect platform for Hawker Pacific to showcase our expertise as a comprehensive aviation solutions provider. Ranging from aircraft sales, MRO, FBO, Government Business and Special Missions we are the partner of choice for all your aviation needs. Our

experienced team look forward to showcasing Hawker Pacific's knowledge and capabilities."

The Australian International Airshow will be held at Avalon Airport in Geelong, Victoria from 28th February – 5th March 2017.

Hawker Pacific's studio will be located at EW7.

Note to Editor:

1. Hawker Pacific is a market leader in integrated civil and military aerospace sales and product support in South East Asia, Australia, the Pacific and the Middle East and is one of the largest independent companies of its type in the region with over 800 employees. The company's Asian operations include established businesses in Singapore, China, the Philippines, Hong Kong, Indonesia and Malaysia while its Middle East activity is head-quartered in Dubai.

   Hawker Pacific represents some of the world's leading aircraft manufacturers, including Textron Aviation – Cessna and Beechcraft, Bell Helicopter, Diamond Aircraft and provides service support for a wide range of manufacturers. Hawker Pacific is also a primary dealer in used aircraft with networks to source, acquire and trade aircraft globally.

   Hawker Pacific is also Australia's premier fixed base operator (FBO) with a network of facilities in Sydney, Brisbane, Cairns, and Perth along with the key Asian ports of Singapore and Shanghai. The company's FBOs offer VIP services and crew facilities on a 24/7/365 basis along with full aircraft management and CAMO activities.

   Hawker Pacific's product support activities provide MRO, structural modification and support services to a wide range of fixed wing aircraft and helicopters for corporate, charter, defence and special mission operators throughout the region.
